

# ***GRANDLAKE PUBLIC WORKS AUTHORITY***

## **Reinstatement of Water Rights Policy**

All customers of the Authority are required to pay the monthly fees for water and/or sewer service as set by the Board whether or not the service(s) are utilized by the Member during the month. Failure to pay the monthly charges will result in loss of service per Delinquent Policy (meter will be locked off or removed).

Failure to pay the monthly charges for six months will result in the forfeiture of Water Rights.

After water service is forfeited, voluntarily or involuntarily, anyone wishing to reactivate service to that location must pay:

Amount owed at time of forfeiture plus monthly minimums to date since time of forfeiture (no penalties during time forfeited).

OR:

Amount owed at time of forfeiture plus ½ of new Water Rights Fee.
