

Utility Management & Construction Co.

Utility Management & Construction Co. (UMCCo) is a private company, owned and operated by Jim and Dave Anderson. UMCCo specializes in contract operations of small utility companies, Water Sewer and Gas. UMCCo has operated Grand Lake Public Works Authority (GLPWA) since GLPWA was founded in 1992.

UMCCo provides turnkey operations for GLPWA including record keeping, reporting, budgeting, customer correspondence, billing, system improvement recommendations and all field services.

UMCCo has nineteen (19) full time employees including Jim and Dave. Four (4) of the employees are assigned full time to GLPWA; these 4 employees provide all onsite field work for GLPWA including plant operations and system maintenance.
